## History of Town and School by Steve Flores

The town was established in 1884, wgeb George and Elizabeth Lewin and their nine childred settled in the area. Soon, a small community took the name of William H. Weed, a White Oaks merchant who set up a general store in the town. Today the town has a store, a restaurant, and a post office. The town and surrounding area have over 200 tesidents. Several houses remain in Weed.

The school and gymnasium are still standing and in very good condition. They are used as a community center for the town of Weed. Inside the school hall, there is a trophy case that displays all of the awards from the Weed Bulldogs, dating back to the 1930's. In the fall of 1991, the students began attending school in Cloudcroft.
